

Happy Holidays to our [Atwater Chamber Membership](#). Here are a few activities and events presented by the [Atwater Chamber of Commerce](#). We hope everyone had a wonderful Thanksgiving!!

December Coffee/Mixer- Wednesday Dec 5th

We are working on a Coffee/Mixer on this date. An invitation will be coming soon-- please SAVE THE DATE!

Christmas Parade

The Holiday Season will be here soon-- and so will our Annual Christmas Parade. This event is scheduled for Friday, December 7th, beginning at 7 pm.

Our Grand Marshall will be Tony Pedro, owner of Tony's Auto Repair. Tony has been a wonderful supporter of ALL Parades in Atwater. He keeps the antique fire trucks in top running condition. Tony continues to drive these cherished vehicles in our Parades, giving rides to distinguished guests, including Santa! The Atwater Chamber of Commerce is honored to have Tony serve as the Grand Marshall for 2018.

The theme for 2018 is "**COMMUNITY CHRISTMAS**". The Atwater community through the involvement and support of many local organizations, businesses and individuals, has long enjoyed traditions and activities surrounding the Christmas Holiday. We look forward to again hosting this annual parade and having you join us in this Atwater Holiday Tradition.

Our Christmas Parade is typically held the first Friday in December. This year, the date falls on our National Pearl Harbor Remembrance Day, December 7th. On this day we remember and honor those who lost their lives in the attack on Pearl Harbor on December 7, 1941. Citizens of this great nation came together to aid, help and comfort one another. This sense of UNITY, is especially important around the holiday season. Please take a moment to thank our Veterans, Active Military, First Responders, members of Law Enforcement and all those who seek to keep us safe.

Entry forms and flyers are posted on the Chamber's website, or you may call Alice Gilbertson, Parade Chairman at 209-761-8757.

SUPER SATURDAY, May 4, 2019

The Atwater Chamber of Commerce is busy planning a day next May that is all about Atwater. We have asked Marketing Students at Atwater High School to help develop a

theme and activities that will put Atwater in the spotlight benefitting our business community and many other organizations, through activities designed to get people out and active in the greater Atwater area.

This day is scheduled for Saturday, May 4, 2019. We are referring to this event as "SUPER SATURDAY". Looking forward to a BIG Reveal in December-- we will be announcing the theme and sharing some of the activities being planned. This strategic and clever AHS Marketing Class has designed a survey link, so you can tell us more about the type of activities you enjoy and would consider attending/hosting for a "Day Out" in our community. Please take a moment to complete and share this Survey with others. We want to learn what you like to do.

Here is the link to the survey: <https://www.surveymonkey.com/r/ATWATEREVENT>

Chamber Website

The Chamber's website will be undergoing some much needed updates. With the help of our trusted Webmaster, Imedia West, we will be cleaning and posting-- stay tuned!

Chamber Office

We are in the process of replacing some flooring at the Chamber office. We experienced some water damage, which is now being repaired. One of our offices has been "out of order"-- which has effected our phone lines as well. This will all be back in working order within the next week.

The Chamber is also in the process of developing an office position for a new Office Assistant. Our new Office Assistant will be at the Chamber office part-time beginning in December. Our Office Assistant will be available to help our Chamber members with questions and information on Chamber events.

Membership- NEW and Renewals

The Chamber would like to Welcome our newest Members:
